

## NOTICE OF PUBLIC HEARING ON PROPOSED 2018 CITY PROPERTY TAXES AND 2018/2019 BUDGET

The Council of the Village of Grosse Pointe Shores, A Michigan City will hold a public hearing during its regularly scheduled meeting, 7:00 p.m., Tuesday, May, 15, 2018 in the first floor Council Chambers of the Grosse Pointe Shores Municipal Building, 795 Lake Shore Road, for the purpose of discussing adoption of the 2018–2019 Budget.

The subject of this hearing is the property tax millage rate of 16.7848 proposed to be levied on July 1, 2018 to support the proposed General Fund Budget. If adopted, the proposed millage will generate \$4,660,968 in operating revenue from ad valorem property taxes for the general fund, which is a \$68,682 or 1.45% decrease compared to the 2017-2018 total tax collection of \$4,729,650.

Note: This is a 1 Mil reduction due to the special levy related to the parks that is being eliminated.

The City Council expects to take action on the proposed millage rates as well as taking action to approve the aforementioned budget at the Council meeting immediately following the public hearing. The taxing unit publishing this notice, identified above, has complete authority to establish the number of mills to be levied from within its authorized millage rate.

Copies of the proposed budget will be available for public inspection during regular business hours in the Administrative Offices, 795 Lake Shore Road on Wednesday, May, 9, 2018 and will also be available for viewing on the City's website (www.gpshoresmi.gov).

Oral or written public comments on the proposed millage rate and the proposed City budget are welcome at the public hearing.

## PUBLIC SAFETY

#### 2017 DIRECTOR'S AWARD

In recognition of distinguished service, the 2017 recipient of the "Director's Award" is Public Safety Officer John Jebrael. PSO Jebrael has, in addition to his regular patrol assignment on Platoon # 4, willingly accepted many other responsibilities. John made a request many years ago to attend detective school and his certification has benefited the department in many ways over many years when serious incidents occur.

PSO Jebrael initiates case follow-up in the Detective Bureau when the detective is on furlough and manages these cases on day or night shift, to prepare them for preliminary exam and trial. John has also led the way in initiating and following up on daily ordinance and blight complaints. John is a certified MCOLES firearms instructor and, in 2013, he was appointed the Department's Range Master and principal firearms instructor because of his dedication to firearms training, weapon maintenance and program development. PSO Jebrael is the senior PSO in the department, with 28 years of service, and his dedication and willingness rise far above the norm. It is my distinct pleasure to recognize PSO John Jebrael as the 2017 recipient of the Director's Award.
